

PANORAMA TWO WAY VISION

The window film's white prism technology transmits ambient light through the film, making the graphic appear from both sides of the window, both day and night.

The translucent film can be placed on inside and outside windows, making it the perfect film to showcase your message.

Printing Methods

- Digital - Solvent, Eco-Solvent, UV, & Latex

Material Sizes

- 54" x 100' or by the Linear Yard

Uses
