

FOX STICKY WALL FABRIC

Technical Data Sheet

Signmax® Fox Sticky Wall Fabric is a light weight 100% woven polyester (PVC free) vinyl that's suitable for interior and exterior applications for up to 1 year. It's ideal for walls, windows, vehicles and other smooth flat surfaces.

Fox Sticky Wall Fabric is available with either a clear or gray removable and repositionable adhesive. It requires no overlamine.

Product Dimensions

- 54" x 33 Yards

Construction

Media Thickness	3.8 - 4.4 mils with adhesive
Total Weight	8.2 oz/sq.yd.
Base Material	Polyester woven fabric (PVC Free)

Physical Properties

Minimum Application Temp.	-2°C
Denier	Warp: 150 Weft: 150
Threads Per Inch	38 T
Fabric Count (Pick 2.54 cm)	Warp: 80 Weft: 61.2
Breaking Strength	Warp: 793.4 Weft: 583.7 (Grab Method: (10x15cm) [kgf]=0.102x[N])
Tearing Strength	Warp: 18.76 Weft: 14.7 Pendulum Method: [kgf]=0.102x[N]
Colourfastness to light 20 hrs	Grade: 3 ~ 4 (Xenon arc lamp weather-0-meter : Blue scale)
Outdoor Durability	6-12 months
Minimum Application Temp.	-2°C
Denier	Warp: 150 Weft: 150
Threads Per Inch	38 T
Relative Humidity	20% - 60%
Surface Finish	Matte
Optimum Printer Temp	21°C
Ink Limit	250%
Outdoor Durability	6-12 months

Print Compatibility

- UV, Latex, Eco-Solvent, Solvent
